Signature:

IMPORTANT NOTES:

1. This form registers the student for a place on this course, and the opportunity to follow the programme of study for this course. Funding arrangements for the student are to be made separately through the appropriate college office.
2. Students will be asked to register this information again on their Part B examination entry forms after the Christmas vacation. It is the responsibility of the student and their college to ensure that these forms are filled in correctly and – in exceptional circumstances – if a student wishes to change after this date – that University offices are notified.
